

Your Voice Is Being Heard!

Your support of AGCAT and that of like minded Alberta farmer-producers and industry representatives working together has helped establish a strong and viable voice working on behalf of the province's Grain and Oilseed producers.

During its first year, AGCAT working on behalf Grain and Oilseed producers has;

- *discussed grain and oilseed issues on face-to-face basis with federal Agriculture Minister Chuck Strahl*
- *hosted a "meet & greet breakfast" which provided AGCAT members the opportunity to meet newly appointed Alberta Minister of Agriculture & Food, George Groeneveld*
- *presented to government information regarding CAIS and Chemical Importation*

To ensure your voice is continued to be heard in Edmonton and Ottawa, and solutions are created with input from Grain and Oil seed producers we are asking for your support through your AGCAT membership renewal.

Annual producer renewal fee is 10 cents per acre up to \$500.00

Please make cheques payable to:

Alberta Grain & Oil Seeds Crisis Advocacy Trust (AGCAT)
334 – 12 Street South
Lethbridge, Alberta T1J 2R1

Thank you for your continued support. A receipt for your 2006 contribution is enclosed, however if you have already received a receipt, please disregard.

Sincerely,

LeRoy Fjordbotten
